

Petition Requirements

1. Students must be in good standing with a cumulative GPA of 2.0 or higher
2. Students must have completed 30 credit hours in their first program of study
3. Students must complete 30 credit hours unique to each program
4. Students may connect with advising to determine appropriate combinations

Note: Concurrent degrees with significant course overlap may not be approved. Approval is required from both of the colleges offering the programs for an additional degree to be added. It is the student's responsibility to ensure that they meet the petition requirements of any other colleges.
